POWERTRAIN AND SUSPENSION.

Model shown may vary according to local specifications.

ENGINE HIGHLIGHTS OF THE NEW BMW X6.

xDrive40i
BMW TwinPower Turbo 6-cylinder petrol engine with 250 kW (340hp) and 450 Nm torque
Acceleration 0-100 km/h: 5.5s
Top speed¹: 250km/h
Fuel consumption combined²: 9.0
Combined CO₂ emission²: 206

DRIVING EXPERIENCE CONTROL

■ The Driving Experience Control features various different modes, so the driver can choose between a comfortable, particularly efficient or superbly athletic drive.

STEPTRONIC SPORT TRANSMISSION

■ The 8-speed Steptronic Sport transmission with Launch Control offers sporty gear changes, both automatically and manually via the selector lever or gearshift paddles – for comfortable cruising or dynamic driving. In SPORT mode and with the gear lever in the left-hand S/M position, the gear shifts are configured for maximum performance.

■ For maximum traction, driving dynamics and safety, the **BMW xDrive all-wheel drive system** provides variable drive power distribution to the front and rear axles.

■ The **Adaptive M suspension** with variable damper control allows the driver to choose between comfortable or sporty suspension settings.

INTEGRATED BRAKING SYSTEM

■ The integrated braking system is characterised by a sporty brake pedal feeling and particularly fast control interventions. It combines the functions of brake actuation, brake force amplification and the brake control system (DSC) in a compact and weight-optimised brake module. The integrated braking system achieves extremely short stopping distances.

¹ Electronically limited.

² The data for fuel consumption, CO₂ emissions and energy consumption are determined in accordance with the measurements processes as defined by European Regulation (EU) 2007/715 in the applicable version. Data refer to a vehicle with base-level equipment in Germany, and the ranges account for differences according to the selected wheel and tyre size and the optional equipment and may change during the configuration process.

Figures have been determined on the basis of the new WLTP test cycle and have been converted back into NEDC figures for comparability. [For these vehicles, values other than those specified here may apply for the assessment of taxes and other vehicle-related charges that are (also) based on CO₂ emissions].

DRIVER ASSISTANCE.

Innovation and technology 17 | 18

■ Standard equipment

BMW Personal CoPilot

By your side, when you decide.

■ **Driving Assistant Professional¹** offers optimum comfort and maximum safety during lots of critical or monotonous driving situations with Steering and lane control assistant incl. support in narrow places, Emergency Stop Assistant, local hazard warning, Lane Keeping Assistant with active side collision protection and other safety functions.

■ The **Steering and lane control assistant incl. support in narrow places** can be activated to support you in monotonous traffic situations. At speeds of up to 210 km/h on all road surfaces with Active cruise control, the system conveniently supports steering and keeps the vehicle in the centre of its lane.

■ The **Crossing traffic warning front** warns you of crossing traffic when entering intersecting crossing traffic in unwieldy places. The system works up to a speed of 7 km/h and can be activated and deactivated via the "Park" setting menu.

■ **Parking Assistant Plus** makes parking and manoeuvring the vehicle easier. It features among others the Surround View system including Top View, Panorama View, Remote View 3D, as well as a lateral parking aid, the Active Park Distance Control, emergency braking function, Parking Assistant with linear guidance and Reversing Assistant.

■ The **Reversing Assistant** stores the last 50 m of the driven path in forward travel up to 35 km/h, so that it can be retracted if required. You are relieved of the steering work and can concentrate on monitoring the vehicle environment.

Model shown may vary according to local specifications.

¹ Function may be limited in darkness, fog or bright glare.

SAFETY.

Model shown may vary according to local specifications.

■ The **Crossing traffic warning rear** warns you of crossing traffic when pulling out of perpendicular parking spaces.

■ **BMW Laserlight** in a unique X design reaches a maximum illumination range of up to 500 m in laser high-beam mode.

■ **Active Protection** takes precautions in critical situations and brakes the vehicle to a standstill after an accident.

COMFORT AND FUNCTIONALITY.

Innovation and technology 19 | 20

BMW ConnectedDrive

Connected to be free.

■ Standard equipment

BMW INTELLIGENT PERSONAL ASSISTANT

■ 'Hey, BMW. Who are you?' – The BMW Intelligent Personal Assistant is the soul of your BMW. It understands and supports you in many situations.

DIGITAL KEY

■ Your car key? No need for that anymore. The Digital Key¹, exists on your Android smartphone, and you can share it with friends.

REMOTE SOFTWARE UPGRADE

■ Do you want your BMW to be up to date with the latest software? With Remote Software Upgrade, your BMW will always be up to date – without having to visit your BMW service partner. Upgrades are installed over-the-air, just as they are for your smartphone. In this way, other functions in your vehicle can also be activated.

Model shown may vary according to local specifications.

■ When open, the Panorama glass roof provides a great deal of fresh air. It opens and closes completely automatically at the push of a button or with the vehicle key, and is equipped with slide and lift functions, roller sunblind and wind deflector.

¹ Prerequisite is a BMW ConnectedDrive account and a compatible smartphone with Android operating system, NFC technology and integrated secure element. Only compatible with selected Android smartphones with Android 8.0 or higher. For customers with non-compatible smartphones, a high-quality key card is provided.

Some ConnectedDrive Services may differ between countries. Please consult your local BMW partner for more information. The Standard equipment may differ between countries. Please consult your local BMW partner for more information.

M SPORT PACKAGE.

powered by  Discover even more with the new BMW Brochures app. Available now, for your smartphone and tablet.

■ Standard equipment

■ The M Leather steering wheel including multifunction buttons, an M badge and an integrated driver-side airbag is featured in three-spoke design. With a steering wheel rim in leather 'Walknappa' Black with black stitching and contoured thumb rests, it provides a direct, athletic steering experience.

■ Dynamic and comfortable: the standard and individually adjustable Sport seats for the driver and front passenger feature numerous electric adjustment options, including backrest width and seat angle. Together with adjustable thigh support, the taller seat and backrest bolsters provide excellent ergonomics and more lateral support during fast cornering.

M Sport package exterior equipment:

- M Aerodynamics package with front apron, side skirts and wheel arch trims in body colour
- 21" M light alloy wheels Y-spoke style 741 M Bicolour with mixed tyres and runflat tyres
- Adaptive M suspension
- Steptronic Sport transmission
- BMW Individual Exterior Line Aluminium satinised
- M designation on the sides
- M Sport brake with blue painted brake callipers with M designation
- Rear apron with diffuser insert
- M Sport package specific rear spoiler
- M Sport exhaust system
- Tailpipe trim strip in M Sport package specific geometry
- Welcome Light Carpet

M Sport package interior equipment:

- M door sill finishers, illuminated, and M specific pedals
- Sport seats for the driver and front passenger in leather, Vernasca black with contrast stitching and M signature
- M Leather steering wheel
- BMW Individual headliner Anthracite
- Instrument cluster with M specific display in SPORT and SPORT+ mode
- M Sport package specific vehicle key
- M specific* floor mats in velour
- Interior trim finishers in Aluminium Tetragon

■ 21" M light alloy wheels Y-spoke style 741 M Bicolour with mixed tyres and runflat tyres.
front: 9.5 J × 21 / tyres 275/40 R21,
rear: 10.5 J × 21 / tyres 315/35 R21

*The availability of some equipment features and functions depends on engine variants or additional options. The market and production availability may vary. You can find detailed information about terms, standard and optional equipment at www.bmw.com.my or from your BMW Partner.

The Standard equipment may differ between countries. Please consult your local BMW partner for more information.

ADDITIONAL EQUIPMENT.

Discover even more with the new BMW Brochures app. Available now, for your smartphone and tablet.

■ Standard equipment

■ The BMW kidney grille 'Iconic Glow' sets impressive visual highlights. With its innovative LED fibre technology, it enables sensational white light scenarios – for example while driving or when opening and closing your vehicle.

■ The 'CraftedClarity' glass application comprises hand-made glass elements that visually and tactilely enhance the interior. The details of the gear selector, volume control, iDrive Controller and Start/Stop button are made of fine crystal.

■ Concierge Service, Remote Services, Apple CarPlay® preparation or perhaps In-Car Experiences? Why order individual options when you can have everything together? With the Connected Package Professional*, you can enjoy these services from BMW ConnectedDrive as well as free additional services to test.

■ The BMW Live Cockpit Professional with navigation function¹ includes two high-quality displays network consisting of a high-resolution 12.3" Control Display that can be operated by touch and a fully digital 12.3" instrument display.

■ The BMW Individual Exterior Line Aluminium satinated sets luxurious accents with the side window graphics. The B- and C-pillar finishers, the exterior mirror frames, foot and base, along with the vertical window guide rails, come in black high-gloss, creating a stylish contrast to these elements.

■ The rear lights are made up of individual high-performance LED lighting elements. They have the characteristic, striking BMW L-shape, meaning that the vehicle is clearly recognisable as a BMW even in the dark.

■ The Welcome Light Carpet function projects an ambient light graphic in front of the vehicle doors and creates a surrounding welcome ambience right at the entrance. The light carpet also makes getting out in the dark even more comfortable and safe.

■ The full-colour BMW Head-Up Display² projects all information relevant to the journey directly into your field of vision, allowing you to fully concentrate on driving. Information such as the current speed, navigation directions, Speed Limit Info including no-overtaking indicator, along with telephone and entertainment lists are displayed

■ Rear-seat entertainment Professional includes two separate high-resolution 10.2" colour screens with touch function that can be tilted and a Bluray drive. In this way, it becomes possible to use navigation and internet functions while driving (if a mobile phone contract exists). Additionally, a USB port and connections for MP3 players, game consoles and headphones (even wireless) are included.

■ In laser high-beam mode, BMW Laserlight in a unique X design illuminates a range of up to 500 m, nearly twice as far as that of conventional headlights. Better visibility in the dark significantly increases safety. The blue X signature and the "BMW Laser" lettering underline the vehicle's technological standards.

■ The standard Ambient light, including Ambient contour lighting in the front and rear doors, creates a relaxed, cosy lighting atmosphere in the interior. The Welcome Light Carpet illuminates the area in front of the vehicle doors when entering and exiting. Six dimmable light designs in White, Blue, Orange, Bronze, Lilac and Green are available.

■ Dynamic and comfortable: the standard and individually adjustable Sport seats for the driver and front passenger feature numerous electric adjustment options, including backrest width and seat angle. Together with adjustable thigh support, the taller seat and backrest bolsters provide excellent ergonomics and more lateral support during fast cornering.

■ Driving Assistant Professional³, offers optimum comfort and maximum safety during lots of critical or monotonous driving situations with Steering and lane control assistant incl. support in narrow places, Emergency Stop Assistant, local hazard warning, Lane Keeping Assistant with active side collision protection and other safety functions.

¹ As part of BMW ConnectedDrive, in selected European countries the system automatically updates domestic maps up to four times per year, for a period of three years.
² The information in the BMW Head-Up Display is not fully visible when viewed through

polarised sunglasses. Content shown will depend on the equipment options chosen. Further optional equipment is required to display specific items.
³ Function may be limited in darkness, fog or bright glare.

Some ConnectedDrive Services may differ between countries. Please consult your local BMW partner for more information. The Standard and Optional equipment may differ between countries. Please consult your local BMW partner for more information.

[Colour samples] These colour samples are intended as an initial guide to the colours and materials available for your BMW. However, experience has shown that printed versions of paint, upholstery and interior trim colours cannot in all cases faithfully reproduce the appearance of the original colour. Please discuss your preferred colour choices with your BMW partner or in your dealership. There you can also see original samples and be assisted with special requests.

Please note that even normal long- or short-term use can lead to unrecoverable upholstery damage. This can be caused in particular by non-colourfast clothing. Please note that the interior colour depends on the selected upholstery colour.

ORIGINAL BMW ACCESSORIES.

Equipment 25 | 26

❑ Optional equipment ○ Accessories

○ The BMW Advanced Car Eye 2.0 is a highly sensitive full-HD camera that watches over events in front of and behind the car, even when it is parked. In the event of disturbances and extraordinary movement outside the vehicle, the camera automatically records the situation in order to document possible accidents or (attempted) break-ins.

○ The high-quality 22" M Performance light alloy wheels Star-spoke style 749 M are weight-optimised with flow forming and designed in Jet Black matt with the M Performance lettering and the colour M logo. TPMS summer complete wheel set, wheel size 9.5J x 22 with tyre size 275/35 R22 104Y XL at the front and 10.5J x 22 with 315/30 R22 107Y XL at the rear.

○ This contemporary roof box in Black with titanium silver side trims has a 520-litre capacity and fits all BMW roof rack systems. It can be opened from both sides and features triple central locking on each side which makes it easy to load and provides anti-theft locking.

○ Anti-slip, water-resistant mat for protecting the luggage compartment from dirt and moisture. In black with stainless steel inlay matching the interior.

○ Precisely fitting protection against moisture and dirt in the front footwell. Featuring a black design with a stainless steel inlay, they perfectly complement the interior.

○ The floating hub cap consists of the BMW logo that no longer turns with the wheel but instead remains level.

Discover the wide range of innovative solutions available for the exterior and interior, communication and information, and for transportation and the luggage compartment. Your BMW Partner is on hand to advise you on the whole range of Original BMW Accessories. For further information, please visit www.bmw.com.my

The Standard and Optional equipment may differ between countries. Please consult your local BMW partner for more information.

The figures for performance, fuel consumption and CO₂ emissions refer to vehicles with standard transmission.

¹ The EC unladen weight refers to a vehicle with standard equipment and does not include any optional extras. The unladen weight includes a 90% full tank and a driver weight of 75 kg. Optional equipment may affect the weight of the vehicle, the payload and the top speed if the selected equipment has an impact on the vehicle's aerodynamics.

² The actual permitted load depends on the actual unladen weight and the maximum permissible weight of the vehicle (see vehicle registration and type plate on the passenger-side B-pillar) and should be determined by every customer himself. Optional equipment may affect the actual unladen weight and the remaining permitted load.

³ The actual total weight of the trailer must not exceed the maximum permitted trailer load, taking into account the maximum tow bar download.

⁴ Performance data of petrol engines apply to vehicles using RON 98 fuel. Fuel consumption data apply to vehicles using reference fuels in accordance with EU Regulation 2007/715. Unleaded RON 91 and higher with a maximum ethanol content of 10% (E10) may also be used. BMW recommends RON 95 super unleaded petrol.

⁵ The data for fuel consumption, CO₂ emissions and energy consumption are determined in accordance with the measurements processes as defined by European Regulation (EU) 2007/715 in the applicable version. Data refer to a vehicle with base-level equipment in Germany, and the ranges account for differences according to the selected wheel and tyre size and the optional equipment and may change during the configuration process. Figures have been determined on the basis of the new WLTP test cycle and have been converted back into NEDC figures for comparability. [For these vehicles, values other than those specified here may apply for the assessment of taxes and other vehicle-related charges that are (also) based on CO₂ emissions].

⁶ Electronically limited.

The models illustrated in this brochure show the equipment and configuration options (standard and optional) for vehicles produced by BMW AG for the German market. Alterations in standard and optional equipment and the configurations available for the different models, as described in this brochure, may occur after the date when this brochure went to press, or according to the specific requirements of other markets. Your local BMW Partner is available to provide further details. Subject to change in design and equipment.
